Dear Mike:

I just wanted to thank you again for your extremely interesting and informative presentation to the Kiwanis Club of Georgetown on July 28, 1976. From the many comments that I heard from our members following your presentation, I'm convinced that this was one of the highlight programs of my administration as President of the Club. I am most grateful to you and to [redacted] who arranged for you to be with us on this occasion.

We are still looking forward to the opportunity of hearing Bill Parmenter sometime in the coming year, but in the meantime, your presentation certainly helped to inform us of CIA organization and programs and increased our sense of gratitude to you and your colleagues for the outstanding contributions which you are making to our nation.

Very best personal regards.

Sincerely,
